A Little Help From My Friends

INTRO: F – G – A

C Dm
What would you think if I sang out of tune,
G C
Would you stand up and walk out on me.

Dm
Lend me your ears and I'll sing you a song,
G C
And I'll try not to sing out of key.

Bb F C
REF: I get by with a little help from my friends,
Bb F C
I get high with a little help from my friends,
Bb F C
Going to try with a little help from my friends.

What do I do when my love is away
(Does it worry you to be alone)
How do I feel by the end of the day
(Are you sad because you're on your own) (Ref)

Am7 D7 C Bb F
Do you need anybody, I need somebody to love.
Am7 D7 C Bb F
Could it be anybody, I want somebody to love.

Would you believe in a love at first sight,
Yes I'm certain that it happens all the time.
What do you see when you turn out the light,
I can't tell you, but I know it's mine. (Ref)

Do you need anybody,
I just need somebody to love,
Could it be anybody,
I want somebody to love. (Ref)

All who hunger, never strangers,
Seeker, be a welcome guest.
Come from restlessness and roaming.
Here, in joy, we keep the feast.
We that once were lost and scattered
In communion’s love have stood.

Come from loneliness and longing.
Here, in peace, we have been led.
Blest are those who from this table
Live their lives in gratitude.

I called upon my brother just the other day
He said: Man I'm gonna die if I don't start to live again
I work each day and night like clockwork
Just trying to make ends meet
I could take on this world fast
If I could just get on my feet
I'd bang a drum for the dying  
Bang a drum for the truth  
Bang a drum for the innocence lost in our youth  
Bang a drum, bang it loudly  
Or as soft as you need  
Bang a drum for you brother  
And a drum for me

E D-A-E-A D A E (intro)
If we don't walk it our way let me hear you say yeah (yeah), hallelujah, amen

No I don't claim to be a wiseman, a poet or a saint  
I'm just another man who's searching for a better way  
But my heart beats loud as thunder  
For the things that I believe  
Sometimes I wanna run for cover  
Sometimes I want to scream

Bang a drum for tomorrow  
Bang a drum for the past  
Bang a drum for the heroes that won't come back  
Bang a drum for the promise  
Bang a drum for the lies  
Bang a drum for the lovers and the tears they've cried  
Bang a drum, bang it loudly  
Or as soft as you need  
But as long as my heart keeps on bangin'  
I got a reason to believe (I got a reason to believe)

Let me hear you say yeah (yeah) yeah (yeah) oh yeah  
Let me hear you say yeah (yeah) hallelujah, amen

Sitting silent wearing Sunday best,
A sermon echoes through the walls (a great salvation through it)
Goes to the people,
Stare into nowhere,
Can't feel the chains on their souls,

He's more than the laughter or the stars in the Heavens,
As close as a heartbeat or a song on our lips,

One Tin Soldier

INTRO:  C - G – Am – Em – F – C – Dm – G

C G Am Em
Listen to children to a story that was written long ago.
F C Dm G
About a kingdom on a mountain and the valley folk below.
C G Am Em
On the kingdom was a treasure buried deep beneath the stone.
F C Dm G C
And the valley people swore they’d have it for their very own.

C Em F C
Ref: Go ahead and hate your neighbour, go ahead and cheat your friend.
C Em F C
Do it in the name of heaven you can justify it in the end.
C Em F C
There won’t be any trumpets blowing come judgement day.
F (pause) C Csus - C
On the bloody morning after, one tin soldier rides away…

So the people of the valley sent a message up the hill.
Asking for the buried treasure, tons of gold for which they’d kill.
Came an answer from the kingdom, “With our brothers we will share
All the secrets of our mountain, all the riches buried there.” (Ref.)

Now the valley cried with anger “mount you horse draw your swords!”
And they killed the mountain people, so they won their just reward.
Now they stood beside the treasure on the mountain dark and red.
Turned the stone and looked beneath it, “Peace on Earth” was all it said. (Ref.)
One Voice  (a capella)

Just One Voice,
Singing in the darkness,
All it takes is One Voice,
Singing so they hear what's on your mind,
And when you look around you'll find
There's more than…

One Voice,
Singing in the darkness,
Joining with that One Voice,
Each and every note another octave,
Hands are joined and fears unlocked,

If only One Voice would start it on its own,
We need just One Voice facing the unknown,
And then that One Voice would never be alone
It takes just One…Voice.

Ba ba ba da da da da,
Ba ba ba ba ba da da da,
Ba ba ba ba,
It takes that One Voice.

Just One Voice
Singing in the darkness,
All it takes is One Voice,
Shout it out and let it ring.

Just One Voice,
It takes just One Voice,
And e-very-one will sing!

Mirrored here may our lives tell Your story.

The Sound Of Silence

Em                          D                          Em
Hello darkness, my old friend. I've come to talk with you again.

and the vision that was planted in my brain still remains within the sound of silence.

In restless dreams I walked alone, narrow streets of cobblestone
‘neath the halo of a street lamp, I turned my collar to the cold and damp
when my eyes were stabbed by the flash of a neon light
that split the night and touched the sound of silence.

And in the naked light I saw ten thousand people, maybe more.
People talking without speaking, people hearing without listening.
People writing songs that voices never shared, no one dared disturb the sound of silence.

"Fools," said I, "you do not know, silence like a cancer grows.
Hear my words that I might teach you, take my arms that I might reach you."
But my words like silent raindrops fell and echoed in the wells of silence.

And the people bowed and prayed to the neon god they made
And the sign flashed out its warning in the words that it was forming.
And the sign said "The words of the prophets are written on the subway walls
And tenement halls and whispered in the sound of silence."
