A Little Help From My Friends

What would you think if I sang out of tune,
Would you stand up and walk out on me.
Lend me your ears and I'll sing you a song,
And I'll try not to sing out of key.

REF: I get by with a little help from my friends,
I get high with a little help from my friends,
Going to try with a little help from my friends.

What do I do when my love is away
(Does it worry you to be alone)
How do I feel by the end of the day
(Are you sad because you're on your own) **(Ref)**

Do you need anybody,
I need somebody to love.
Could it be anybody
I want somebody to love.

Would you believe in a love at first sight,
Yes I'm certain that it happens all the time.
What do you see when you turn out the light,
I can't tell you, but I know it's mine. **(Ref)**

Do you need anybody,
I just need somebody to love,
Could it be anybody,
I want somebody to love. **(Ref)**

All Good Gifts

We plough the fields and scatter the good seed on the land
But it is fed and watered by God's almighty hands
He sends the snow in winter, the warmth to swell the grain
The breezes and the sunshine, the soft refreshing rain **(Ref)**

REF: All good gifts around us, are sent from heaven above
So thank the Lord, thank the Lord for all His love

We thank Thee then, oh Father, for all things bright and good
The seed time and the harvest, our life, our health, our food
No gifts we have to offer, for all Thy love imparts
But that which Thou desirest- our humble, thankful hearts. **(Ref)**

Bridge: I really want to thank You, Lord
I want to thank You Lord, thank You for all Your love
Oh thank You Lord, I want to thank You Lord.
Thank You, Lord.

All Who Hunger

All who hunger, gather gladly; Holy Manna is our bread.
Come from wilderness and wandering. Here, in truth, we will be fed.
You that yearn for days of fullness, All around us is our food.

(refrain)

*Taste and see the grace eternal. Taste and see that God is good.
Taste and see the grace eternal. Taste and see that God is good.*

All who hunger, never strangers, Seeker, be a welcome guest.
Come from restlessness and roaming. Here, in joy, we keep the feast.
We that once were lost and scattered In communion's love have stood.

(refrain)

All who hunger, sing together, Jesus Christ is living bread.
Come from loneliness and longing. Here, in peace, we have been led.
Blest are those who from this table Live their lives in gratitude.

(refrain)

All You Need is Love

Love, love, love, love, love, love, love, love, love.

There's nothing you can do that can't be done.
Nothing you can sing that can't be sung.
Nothing you can say but you can learn to play the game
It's easy.

There's nothing you can make that can't be made.
No one you can save that can't be saved.
Nothing you can do but you can learn to be in time
It's easy.

All you need is love, all you need is love,
All you need is love, love, love is all you need.

There's nothing you can know that isn't known.
Nothing you can see that isn't shown.
Nowhere you can be that isn't where you're meant to be.
It's easy.

All you need is love, all you need is love,
All you need is love, love, love is all you need.
2x

Allelu

REF: Allelu, Allelu, everybody sing Allelu
for the Lord has risen it is true, everybody sing Allelu

God said he would send his son, Allelu, Allelu
And Salvation would be won, Alleluia (**Ref**)

On the hard wood of the cross, Allelu, Allelu
He suffered and he died for us, Alleluia (**Ref**)

On the third day he would rise, Allelu, Allelu
Now he lives no more to die, Alleluia (**Ref**)

Now we too can live anew, Allelu, Allelu
Live in him need all we do, Alleluia (**Ref**)

Amen, Praise the Lord

Amen, praise the Lord (2x)
Glory Alleluia, praise the Lord
I'm gonna jump down, turn around, touch the ground
Praise My Lord

I am the Way, the Truth and the Life (2x)
No Man cometh to the Father but by me
I'm gonna jump down, turn around, touch the ground
Praise My Lord

Suffer Ye, the little children come unto me (2x)
And forbid them not for such is the kingdom of heaven
I'm gonna jump down, turn around, touch the ground
Praise My Lord

Anima Christi

Soul of Christ, sanctify me
Body of Christ, save me
Water from the side of Christ, wash me
Passion of Christ, give me strength.

Ref: Hear me Jesus, hide me in thy wounds
That I may never leave thy side.
From all the evil that surrounds me, defend me
And when the call of death arrives, bid me come to Thee
That I may praise Thee with thy saints, forever. *(Repeat)*

As the Deer

As the deer panteth for the water so my soul longeth after Thee.
You alone are my heart's desire and I long to worship Thee.

Chorus:
You alone are my strength, my shield
To You alone may my spirit yield.
You alone are my heart's desire
And I long to worship Thee.

I want You more than gold or silver only You can satisfy.
You alone are the real joy giver and the apple of my eye.

Chorus:
You alone are my strength, my shield
To You alone may my spirit yield.
You alone are my heart's desire
And I long to worship Thee.

You're my friend and You are my brother even though You are a King.
I love You more than any other so much more than anything.

Chorus:
You alone are my strength, my shield
To You alone may my spirit yield.
You alone are my heart's desire
And I long to worship Thee.

End:
And I long to worship Thee. Lord I long to worship Thee.

Bang a Drum

I went to see the preacher to teach me how to pray
He looked at me and smiled
Then that preacher turned away
He said if you want to tell him something
You ain't gotta fold your hands
Say it with your heart, your soul and believe it
And I'd say amen

Bang a drum for the sinners
Bang a drum for the sins
Bang a drum for the losers
And those who win
Bang a drum, bang it loudly
Or as soft as you need
Bang a drum for yourself son
And a drum for me
Ooh, let me hear you say yeah (yeah), hallelujah, amen

I called upon my brother just the other day
He said: Man I'm gonna die if I don't start to live again
I work each day and night like clockwork
Just trying to make ends meet
I could take on this world fast
If I could just get on my feet

I'd bang a drum for the dying
Bang a drum for the truth
Bang a drum for the innocence lost in our youth
Bang a drum, bang it loudly
Or as soft as you need
Bang a drum for you brother
And a drum for me

I don't know where all the rivers run
I don't know how far, I don't know how come
Well I'm gonna die believin' each step that I take
Ain't worth the ground that I walk on
If we don't walk it our way

No I don't claim to be a wiseman, a poet or a saint
I'm just another man who's searching for a better way
But my heart beats loud as thunder
For the things that I believe
Sometimes I wanna run for cover

Sometimes I want to scream

Bang a drum for tomorrow
Bang a drum for the past
Bang a drum for the heroes that won't come back
Bang a drum for the promise
Bang a drum for the lies
Bang a drum for the lovers and the tears they've cried
Bang a drum, bang it loudly
Or as soft as you need
But as long as my heart keeps on bangin'
I got a reason to believe (I got a reason to believe)

(Yeah, yeah, oh yeah, yeah, hallelujah, amen)
Let me hear you say yeah (yeah) yeah (yeah) oh yeah
Let me hear you say yeah (yeah) hallelujah, amen
Come on now (yeah) yeah (yeah) oh yeah
Let me hear you say yeah (yeah) hallelujah, amen
All right girls (yeah) brother (yeah) yeah (yeah) oh yeah
Let me hear you say yeah (yeah) hallelujah, amen

Be Glorified

In my life, Lord, be glorified, be glorified
In my life, Lord, be glorified today

In my home... In my school... In my heart... etc.

In my life, Lord, be glorified, be glorified
In my life, Lord, be glorified today

Beautiful

Beautiful, beautiful
Jesus is beautiful
And Jesus makes beautiful
Things of my life

Carefully, touching me
Causing my eyes to see
That Jesus Makes beautiful
Things of my life

Bumaba ka sa Bundok

Masdan, kay lawak ng iyong kapaligiran,
Sa bundok ng karunungan,
Imulat ang iyong mata
sa buhay na kay ganda.

Dinggin, sa ibaba'y may dumaraing,
Dahil sa mga hinagpis, kanilang pasakit,
Tinuturing na yagit.

Refrain: Bumaba ka sa bundok, at ika'y makibahagi.
Bumaba kasa bundok, at hanapin ang 'yong sarili.

Tignan, kay lawak ng iyong kaalaman.
Ngunit anong halaga ang mabuhay,
Sa ginto, ikaw nama'y nag-iisa. **(refrain)**

Coda: Kailangan ka niya, ang kuya niya,
Kapatid mo siya, mahal in mo siya. **(refrain)**

Butterfly Song

If I were a butterfly, I'd thank you Lord for giving me wings
If I were a robin in a tree, I'd thank you Lord that I could sing
If I were a fish in the sea, I'd wiggle my tail and I'd giggle with glee
But I just thank you father for making me, me

Ref: For you gave me a heart and you gave me a smile
You gave me Jesus and you made me your child
And I just thank you Father for making me, me
If I were an elephant, I'd thank you Lord by raising my trunk

If I were a kangaroo, You know I'd hop right up to you
If I were an octopus, I'd thank you Lord for my good looks
But I just thank you Father for making me, me **(Ref)**

If I were a wiggly worm, I'd thank you Lord that I could squirm
If I were a fuzzy wuzzy bear, I'd thank you Lord for my fuzzy, wuzzy hair
If I were a crocodile, I'd thank you Lord for my great big smile
But I just thank you Father for making me, me **(Ref)**

Cats in the Cradle

My child arrived just the other day
Came to the world in the usual way
But there were planes to catch and bills to pay
He learned to walk while I was away
He was talkin' 'fore I knew it
And as he grew he said,
'I'm gonna be like you, Dad,
You know I'm gonna be like you.' **(Ref)**

REF: And the cat's in the cradle and the silver spoon,
Little boy blue and the man 'n the moon.
'When you comin' home?'
'Son, I don't know when. We'll get together then.
You know we'll have a good time then.'

Well, my son turned ten just the other day.
He said, 'Thanks for the ball, Dad. Come on, let's play.
Could you teach me to throw?'
I said, 'Not today. I got a lot to do.'
He said, 'That's okay.' And he walked away and he smiled and he said,
'You know, I'm gonna be like him, yeah.
You know I'm gonna be like him.' **(Ref)**

Well, he came from college just the other day,
So much like a man I just had to say,
'I'm proud of you. Could you sit for a while?'
He shook his head and he said with a smile,
'What I'd really like, Dad, is to borrow the car keys.
See you later. Can I have them please ?' **(Ref)**

I've long since retired, my son's moved away.
I called him up just the other day.
'I'd like to see you, if you don't mind.'
He said, 'I'd love to, Dad, if I could find the time.
You see my new job's a hassle and the kids have the flu,
But it's sure nice talkin' to you, Dad.
It's been sure nice talkin' to you.'
And as I hung up the phone it occurred to me,
He'd grown up just like me.
My boy was just like me. **(Ref)**

Children of the Lord

We're all children of the Lord. Everyone.
Big and Small. Short and tall.
And He loves us all.

We're all children of the Lord. Everyone.
He's strong and we're weak.
He's humble and meek.
And He loves us all.

And even though we're children,
we're soldiers just the same.
Come to the Lord as children.
And praise His name. (Repeat all)

Cares Chorus

I will cast all my cares upon You.
I lay all my burdens down at Your feet
And any time, I don't know what to do.
I will cast all my cares upon You.

Longing for food many are hungry
Longing for water many still thirst

Shared until all are fed **(Ref)**

Longing for shelter many are homeless
Longing for warmth many are cold

Walls made of living stones **(Ref)**

Many the hearts that yearn to belong
Let us be servants to one another
Making Your kingdom come **(Ref)**

City of God

Awake from your slumber! Arise from your sleep!
A new day is dawning for all those who weep.
The people in darkness have seen a great light
The Lord of our longing has conquered the night.

REF: Let us build the city of God.
May our tears be turned into dancing.
For the Lord our light and our love,
Has turned the night into day.

We are sons of the morning, we are children of day.
The One who has loved us has brightened our way. **(REF)**

God is light; in him there is no darkness.
Let us walk in his light, His children, one and all.
O comfort my people, make gentle your words.
Proclaim to my city the day of her birth. **(REF)**

Come Holy Spirit / Spirit Move

Come Holy Spirit, fall afresh on me
Fill me with Your power, satisfy my needs

Spirit move in my life
Spirit move I am calling
Spirit move I am here.

Come, Lord Jesus, Come

REF: Come, Lord Jesus, Come
Come and fill my heart with Your life

Come to Me for my yoke is light.
Lay all your burdens unto me.
I know your fears, they too are mine
Believe in Me that I refresh weary sould.
Come to Me, you who seek repose.

Corner of the Sky

Everything has its season
Everything has its time
Show me a reason and I'll soon show you a rhyme
Cats fit on the windowsill
Children fit in the snow
Why do I feel I don't fit in anywhere I go? **(Ref)**

REF: Rivers belong where they can ramble
Eagles belong where they can fly
I've got to be where my spirit can run free
Got to find my corner of the sky

Every man has his daydreams
Every man has his goal
People like the way dreams have
Of sticking to the soul
Thunderclouds have their lightning
Nightingales have their song
And don't you see I want my life to be
Something more than long.... **(Ref)**

So many men seem destined
To settle for something small
But I won't rest until I know I'll have it all
So don't ask where I'm going
Just listen when I'm gone
And far away you'll hear me singing
Softly to the dawn **(Ref)**

Hammer Song

If I had a hammer, I'd hammer in the morning.
I'd hammer in the evening, all over this land.
I'd hammer out danger. I'd hammer out warning.
I'd hammer out love between my brothers and my sisters (ohh) all over this land.

If I had a bell, I'd ring it in the morning.
I'd ring it in the evening, all over this land.
I'd ring out danger. I'd ring out warning.
I'd ring out love between my brothers and my sisters (ohh) all over this land.

If I had a song, I'd sing it in the morning.
I'd sing in the evening, all over this land.
I'd sing out danger. I'd sing out warning.
I'd sing out love between my brothers and my sisters (ohh) all over this land.

But I have a hammer, and I have a bell.
And I have a SONG TO SING! All over this land.
It's a hammer for justice. It's a bell for freedom.
It's a song about love between my brothers and my sisters (ohh) all over this land

Happy Together

Imagine me and you I do
I think about you day and night
It's only right
To think about the Lord you love
And hold you tight
So happy together

Me and you and you and me
No matter how they toss the dice
It had to be
The only one for me is you
And you for me
So happy together

I can't see me lovin' nobody but you
For all my life
When you're with me Lord the skies'll be blue
For all my life

Me and you and you and me
No matter how they toss the dice
It had to be
The only one for me is you
And you for me
So happy together

Pa Pa Pa...

Imagine me and you I do
I think about you day and night
It's only right
To think about the Lord you love
And hold you tight
So happy together (4x)

He

He can turn the tide and calm the angry sea,
He alone decides who writes a symphony
He lights every star that makes our darkness bright;
He keeps watch all through each long and lonely night.

He still finds the time to hear a child's first prayer;
Saints and sinners call and always find Him there.
Though it makes Him sad to see the way we live,
He'll always say: "I Forgive".

He can grant a wish or make a dream come true;
He can paint the clouds and turn the gray to blue;
He alone knows where to find the rainbow's end.
He alone can see what lies beyond the bend.

He can touch a tree and turn the leaves to gold
He knows every lie that you and I have told
Though it makes Him sad to see the way we live
He'll always say: "I Forgive."

Here Comes The Sun

Here comes the sun, here comes the sun,
and I say it's all right

Little darling, it's been a long cold lonely winter
Little darling, it feels like years since it's been here
Here comes the sun, here comes the sun,
and I say it's all right

Little darling, the smiles returning to the faces
Little darling, it seems like years since it's been here
Here comes the sun, here comes the sun,
and I say it's all right

Sun, sun, sun, here it comes... (5x)

Little darling, I feel that ice is slowly melting
Little darling, it seems like years since it's been clear
Here comes the sun, here comes the sun,
and I say it's all right

Here I Am Lord

I, the Lord of sea and sky. I have heard My people cry.
All who dwell in dark and sin, My hand will save.
I who made the stars of night, I will make their darkness bright.
Who will bear My light to them? Whom shall I send?

REF: Here I am Lord, Is it I Lord?
I have heard You calling in the night.
I will go Lord, if You lead me.
I will hold Your people in my heart.

I, the Lord of snow and rain, I have born my peoples pain.
I have wept for love of them, They turn away.
I will break their hearts of stone, Give them hearts for love alone.
I will speak My word to them, Whom shall I send? **(Ref)**

I, the Lord of wind and flame, I will tend the poor and lame.
I will set a feast for them, My hand will save
Finest bread I will provide, Till their hearts be satisfied.
I will give My life to them, Whom shall I send? **(Ref)**

Here in This Place

REF: Are not our hearts burning within us
Are not our lives shared as one bread
Here in our hands here in this place
Jesus our hope, life from the dead

In the breaking of the bread, May we know the Lord
We were lost and now are found, Home again with God **(Ref)**

You are food for all our hunger, You are all we need
You are our promise and our hope, Life for all the world **(Ref)**

As grain once scattered on the hill, Was gathered all as one
May we be one in this bread, Behold the Lamb of God **(Ref)**

As this bread is broken, As this cup is shared
We give our lives, Broken and outpoured
We will serve the Lord **(Ref)**

Hindi Kita Malilimutan

Hindi kita malilimutan, hindi kita pababayaang.
Nakaukit magpakailanman sa 'king palad ang 'yong pangalan.
Malilimutan ba ng ina ang anak na galling sa kanya?
Sanggol sa kanyang sinapupunan paano n'yang matatalikdan?
Ngunit kahit na malimutan ng ina ang anak n'yang tangan.

(refrain)

Hindi kita malilimutan, kailan ma'y di pababayaang
Hindi kita malilimutan, kailan ma'y di (3x) pababayaang.

How Excellent Your Name Is

(refrain)

*O Lord, our Lord, how excellent your name is
How excellent your name in all the Earth
Your glory fills the heavens, the moon and all the stars
How excellent your name in all the Earth*

When I looked upon the heavens,
The moon and all the stars
I wondered what you ever saw in me
But you took me and you loved me
And you've given me a crown
And now I'll praise your name eternally

(refrain)

How Real Am I

This wine you drink, and this bread you eat,
From grapes one comes, the other from wheat.
At this table you set, you lift them to God
I return them to you as my body and blood.

Though years, its been done in memory of me.
Your heart, still decides what they are to be.
My body and blood or just bread and wine?
Does it come from your heart? Or just from your mind?
I gave you my all, with a heart so true.
But now I ask, how real, how real am I to you?
Oh...how real am I to you?

I Offer My Life

All that I am, all that I have, I lay them down before you O Lord
All my regrets, all my acclaim, The joy and the pain, I'm making them Yours

Things in the past, things yet unseen, Wishes and dreams that are yet to come true
All of my hopes, all of my plans, My heart and my hands are lifted to you

Chorus:

Lord I offer my life to You
Everything I've been through
Use it for Your glory
Lord I offer my days to You
Lifting my praise to You
As a pleasing sacrifice
Lord I offer You my life

(repeat 2nd verse then chorus)

Bridge:

What can we give that You have not given,
And what do we have that is not already Yours.
All we possess are these lives we're living,
and that's what we give to You, Lord
(Chorus 2x)
Lord, I offer You my life...

I Love You Lord

I love you Lord and I lift my voice to worship You.
All my soul, rejoice.
Take joy, my King in what You hear.
Let it be a sweet, sweet sound in Your ear.

I Seek You For I Thirst

REFRAIN

Though many times, I run from You in shame.
I lift my hands and call upon Your Name.
For underneath the shadow of Your wings,
My melody is You.

Oh Lord, I seek You for I thirst,
Your mercy is the rain on the desert of my soul.

O Lord I raise my lifeless eyes and see,
Your glory shine, how Your kindness overflows. **(REFRAIN)**

O Lord, Your sanctuary calls I yearn to be with You,
In the rivers of Your love. **(REFRAIN)**

(REPEAT VERSE 3 THEN REFRAIN)

I Want To Be Strong

I want to be strong, to be strong in my life of service.
I want a heart that is willing to love.
I want a spirit that will always be for God.
I want to show people purpose in life.

Walking along beneath the canopy of clouds.
Dreaming like a stranger in the midst of a crowd.
I know that something great is calling me aloud.
I know that I must choose. (repeat)

If

If a picture paints a thousand words,
Then why can't I paint you?
The words will never show the you I've come to know.
If a face could launch a thousand ships,
Then where am I to go?
There's no one home but you,
You're all that's left me too.
And when my love for life is running dry,
You come and pour yourself on me.

If a man could be two places at one time,
I'd be with you.
Tomorrow and today, beside you all the way.
If the world should stop revolving spinning slowly down to die,
I'd spend the end with you.
And when the world was through,
Then one by one the stars would all go out,
Then you and I would simply fly away

In Him Alone

REFRAIN:

In Him alone is our hope, in Him alone is our strength
In Him alone are we justified, In Him alone are we saved.

What have we to offer that does not fade or wither
Can the world ever satisfy the emptiness in our hearts in vain
We deny (**REFRAIN**)

When will you cease running in search of hollow meaning
Let his love feed the hunger in your soul till it overflows with joy
You yearn to know (**REFRAIN w/ DESCANT**)

DESCANT:

In Him alone is our hope, Unto Him I pour out my heart
He alone will save me, With His love and mercy

In My Heart

REFRAIN:

In my heart I know my savior lives
I can hear Him calling tenderly my name
Over sin and death He has prevailed
In His glory, in His new life we partake.

I know He lives as He has promised for me,
He's risen that from fear I may be free
Not even death can separate me.
From Him whose love and might remain in me. **(REFRAIN)**

For I have seen and touched Him risen,
To all the world will I proclaim His majesty.
With joy I sing to tell His story
That in our hearts may live His memory. **(REFRAIN)**

And all the earth shall bow before Him,
His blessed name all will adore on bended knee
His truth shall reign, so shall His justice,
In Christ my Savior let all glory be. **(REFRAIN)**

In His Time

In His time, in His time, He makes all things beautiful in His time
Lord please show me everyday, as Your teaching me Your way
That You do just what You say in Your time.

In Your time, in Your time, You make all things beautiful in Your time
Lord, my life to You I bring may each song I have to sing
Be to You a lovely thing
In Your time.
(Repeat last 2 lines of 2nd stanza; Repeat last line of 2nd stanza)

Into Your Arms

I know a place
Where I can go
When I'm alone
Into your arms, whoa
Into your arms
I can go

I know a place
That's safe and warm
From the crowd
Into your arms, whoa
Into your arms
I can go

And If I should fall
I know I won't be alone
Be alone anymore

I Will Sing Forever

I will sing forever of Your love o Lord
I will celebrate the wonder of Your name
For the word that You speak is a song of forgiveness
And a song of gentle mercy and of peace

Let us wake at the morning and be filled with Your love
And sing songs of praise all our days
For Your love is as high at the heavens above us
And Your faithfulness as certain as the dawn

I will sing forever of Your love o Lord
For You are my refuge and my strength
You fill the world with your life giving spirit
Who speaks your word Your word of mercy and of peace
And I will sing forever of Your love, O Lord,
Yes, I will sing forever of your love, O Lord.

Jesus the Very Thought of Thee

Jesus the very thought of Thee, With sweetness fills my breast
But sweeter far Thy face to see, And in Thy presence rest
Nor voice can sing, Nor heart can frame
Nor can the mem'ry find a sweeter sound
Than Thy blessed name, O Savior of mankind
But what to those who find?
Ah, this nor tongue nor pen can show, The love of Jesus, what it is,
None but His loved ones know, None but His loved ones know

Just Like You

How I wanna be Lord, just like You
With all the good things that I wanna do.

Kaibigan

Ika'y aking kaibigan.
Kay raming pinagsamahan.
Ngayon ako'y kailangan,
Paano kitang iiwan?

Anumang tarik ng bundok,
Sasama ako sa taluktok.
Kung rurok dagat ang siyang alok,
Kasama mo akong aarok.

Anumang lagim ng bangin,
Anumang bangis ng hangin,
Malaglag man mga bituin,
Makaaasa ka sa akin.

Kantang Wawa

REFRAIN:

Maglalakad wawa, Kanta la la
Sisigaw, papalakpak hanggang (dalawang palakpak)
Si Kristo ay dumating, O yeah!

Ayokong pumunta, kinulit ako ng nanay ko,
Anong ginagawa ko, nagmumukha lang akong gago **(REFRAIN)**

Pagdating ng Biyernes, hinda pa ako handa
Sino ka para magtanong, anong kulay ng panloob ko? **(REFRAIN)**

Ewan ba't ganito, napapakanta na lamang ako **(REFRAIN)**

Last Supper

Look at all my trials and tribulations
Sinking in a gentle pool of wine.
Don't disturb me now, I can see the answer
Till this evening is this morning, life is fine.

Always thought that I'd be an Apostle.
Knew that I would make it if I tried.
Then when we retire, we can write the Gospels,
So they'll still talk about us when we've died.

Look at all my trials and tribulations
Sinking in a gentle pool of wine.
What's that in the bread, its gone to my head
Till this morning in this evening, life is fine.

Lead Me, Lord

Lead me Lord.
Lead me by the hand and make me face the rising sun.
Comfort me through all the pain that life may bring.
There's no other hope that I can lean upon.
Lead me Lord, lead me all my life.

Walk by me.
Walk by me across the lonely road of everyday.
Take my arms and let Your hand show me the way,
Show the way to live inside Your love.
Lead me Lord, lead me all my life.

Ref: You are my light, You're the lamp upon my feet.
All the time my Lord I need You there.
You are my life. I cannot live alone,
Let me stay by Your guiding love,
All through my life, lead me, Lord.

Lead me Lord.
Even though at times I'd rather go along my way.
Help me take the right direction, take Your road.
Lead me Lord and never leave my side.
All my days, all my life. *(Ref.)*

CODA: All through my days
Lead me o' Lord ...all my life.

Lean on Me

Sometimes in our lives
We all have pain, we all have sorrow
But if we are wise
We know that there is always tomorrow

Ref: Lean on me
When you're not strong
I'll be your friend
I'll help you carry on
For it won't be long, til I'm going to need
Somebody to lean on.

Just call on me brother, when you need a hand
We all need somebody to lean on
I just might have a problem that you'll understand
We all need somebody to lean on. **(Ref)**

Let Heaven Rejoice

REF: Let heaven rejoice and earth be glad.
Let all creation sing!
Let children proclaim to every land:
“Hosanna to our King!”

Sound the trumpet into the night; The day of the Lord is near.
Wake his people, lift your voice, proclaim it to the world.

Rise in splendor, shake off your sleep, Put on your robes of joy,
And in the morning you shall see the glory of the Lord.

Raise your voices, be not afraid. Proclaim it in ev'ry land;
Christ has died, but He has risen; He will come again.

Sing a new song unto the Lord for He has done wonderful deeds.
And praise Him, thank Him, dance before Him, Play before the Lord.

Nations tremble, wise men amazed, A Child is born this night,
Wonderful Counselor, Mighty God, a Father, Prince of Peace.

Songs of angels, “Glory on high, and peace to men on earth.
I bear glad tidings: Born this day,
Your Savior and your God.”

Let It Be

When I find myself in times of trouble, Mother Mary comes to me
Speaking words of wisdom, Let it be.

And in my hours of darkness, She is standing right in front of me,
Speaking words of wisdom, Let it be.

REFRAIN:

Let it be, let it be,
Let it be, let it be
There will be an answer, let it be.
And when the broken hearted people
Living in the world agree,
There will be an answer,
Let it be

For though they may be parted, There is still a chance that they will see
There will be an answer, Let it be. **(ref.)**

And when the night is cloudy, There is still a light that shines on me
Shine until tomorrow, Let it be.

I wake up to the sound of music, Mother Mary comes to me
Speaking words of wisdom, Let it be **(ref. 2x)**

Let There Be Peace on Earth

Let there be peace on earth and let it begin with me.
Let there be peace on earth, the peace that was meant to be.
With God as our Father, brothers all are we.
Let me walk with my brothers in perfect harmony.

Let peace begin with me, let this be the moment now.
With every step I take, let this be my solemn vow:
To take each moment and live each moment in peace eternally.
Let there be peace on earth and let it begin with me.

Lift Up Your Hands

Life, is not all that bad my friend (Hm-m-mmm...)
If you believe in yourself, if you believe there's someone,
Who walks through life with you.
You'll never be alone, just learn to reach out,
And open your heart. Lift up your hands to God,
And He'll show you the way.

Refrain: And He said, "Cast your burdens upon me,
Those who are heavily laden.
Come to me all of you who are tired of carrying heavy loads
For the yoke I will give you is easy and my burden is light
Come to me, and I will give you rest."

When you feel the world is tumbling down on you.
And you have no one that you can hold on to.
Just face the rising sun, and you'll see hope,
And there's no need to run. Lift up your hands to God,
And He'll make you feel alright. **(Ref.)**

Like Cedars They Shall Stand

REF: I will play for Him on my harp,
With my lute and ten stringed lyre.
I will greet the Lord with my song;
I will sing of the ways of the Lord.

Good it is that we should sing
To honor Yahweh's name.
To thank him for His love at dawn,
His faithfulness through night. **(REF)**

Great and wide your kindness, Lord,
And fathoms deep you heart.
The wicked man shall not perceive,
The foolish man shall fall. **(REF)**

The just shall grow as tall as palms,
Like cedars they shall stand.
And planted firmly on their God,
They shall not break nor bow. **(REF)**

Little Footsteps

Chorus: Little footsteps pacing down the altar
Footsteps of a dear little child of three
Join the quiet chirping of two turtledoves
As they make their way up the isle

The little Mary walking with willingness to offer herself to the Lord
Not a little pride in her heart, there's nothing else but love (*nothing else but love*)

Yes there's nothing else but love and warmth, burning in her little heart
Loving God in every soul, Yes God in every soul (*God in every soul*)

Look Beyond

Give us a sign that we might believe in You.
Moses gave us manna from the sky.

(refrain)

*Look beyond the bread you eat;
See you Savior and your Lord.
Look beyond the cup you drink;
See his love poured out as blood.*

I am the bread which from the heavens came;
Those who eat this bread will never die.

(refrain)

The bread I give you will be My very flesh:
My blood will truly be your drink.

(refrain)

This man speaks harshly; who can listen to his word?
We shall no longer follow him.

(refrain)

You, my disciples, will you also leave?
Lord, to whom can we go?

(refrain)

See his love poured out as blood.

Lord I Lift Your Name on High

Lord, I lift Your name on high.
Lord, I love to sing Your praises.
I'm so glad You're in my life.
I'm so glad You came to save us.

Chorus: You came from Heaven to earth to show the way,
From the earth to the cross, my debt to pay;
From the cross to the grave, from the grave to the sky;
Lord, I lift Your name on high.

Lord I lift your name on high
Lord of wonder and salvation
With one voice we magnify
God of every generation

Love is reaching, Reaching love
Love is asking, To be loved

Love is you, You and me
Love is knowing, We can be

Love is the Answer

Girls: Morning comes and I must go, day is breaking yonder
After all the places I have been, now I'm going home
Boys: I have been to seek the sky, to travel on the highway
Both: And the time has come, I don't know why, I am going home.

Ref: Where is the answer, to so many questions?
I don't know so I begin another journey
Where is the meaning for my world? Ahhhh...
I see the answer now.

Boys: Though we came by different roads, now we walk together
Girls: Stay beside me all my days, strangers never more
Both: Through the cool of summer rains, by the hearthside fire,
Here I'll be with you when nothing remains, I am home to stay

Ref: For love is the answer, to so many questions
Now I know and I can stop my endless wand'ring
Love gives meaning to my world, I see the answer now.

Coda: Love gives meaning to my world and I see the answer now
Love is the ans--er. Love.

Love Song For A Saviour

In open fields of wild flowers,
She breathes the air and flies away, (*she thanks her Jesus for*)
The daisies and the roses,
In no simple language,
Someday she'll understand, The meaning of it all,

He's more than the laughter or the stars in the Heavens,
As close as a heartbeat or a song on her lips,
Someday she'll trust Him and learn how to see Him,
Someday He'll call her, and she will come running,
And fall in His arms, the tears will fall down and she'll pray,

I want to fall in love with You (4x)

Sitting silent wearing Sunday best,
A sermon echoes through the walls (*a great salvation through it*)
Goes to the people,
Stare into nowhere,
Can't feel the chains on their souls,

He's more than the laughter or the stars in the Heavens,
As close as a heartbeat or a song on our lips,
Someday we'll trust Him and learn how to see Him,
Someday He'll call us, we will come running,
And fall in His arms and the tears will fall down and we'll pray,

I want to fall in love with You (4x)

He'll want to pray-ay-ay
La la la, La la la, La la la, La la la (2x)

Seems too easy to call you savior,
Not close enough to call you God (*so as I sit and think of*)
The words I can't mention,
To show my devotion,

I want to fall in love with You (8x)

Love the Lord

Love the Lord with all your heart
And all your soul and mind
And love all of mankind as you would yourself
And love the Lord your God with all your heart (*tik tik tik boom*)
And all your soul and mind, love all mankind

We've got Christian lives to live
We've got Jesus' love to give
We've got nothing to hide because in Him we abide

Make Me a Servant

Make me a servant, humble and meek.
Lord, let me lift up those who are weak.
And may the prayer of my heart always be-
Make me a servant (3x)... today.

Make My Heart a Dwelling Place

Make my heart Your dwelling place
A temple just for You
A consecrated resting place, a vessel ever true
Make my heart a fire, with the brightness of Your Son
Make my heart a dwelling place, for the Holy One
(Sing twice)

Make my heart a fire, with the brightness of Your Son
Make my heart a dwelling place, for the Holy One
(Sing twice)

Mariang Ina Ko

Sa 'king paglalakbay, Sa bundok ng buhay
Sa ligaya't lumbay Maging talang gabay.

Koro: Mariang ina ko, ako ri'y anak mo,
Kay Kristong kuya ko, akayin mo ako.
Kay Kristong kuya ko, akayin mo ako.

Maging aking tulay, Sa langit mong pakay
Sa bingit ng hukay, Tangan aking kamay. **(koro)**

Sabihin sa Kanya, Aking dusa at saya.
Ibulong sa Kanya, Minamahal ko Siya. **(koro)**

Mountaintop

I love to sing and I love to pray, worship the Lord most everyday.
I go to the temple and just want to stay.
To hide from the hustle of the world and its ways and I...

Ref: Love to live on a mountaintop, fellowshiping with the Lord.
I love to stand on a mountaintop, cause I love to feel my spirit soar.
But I gotta get down from the mountaintop to the people in the valley below.
Coz they'll never know that they can go to the mountain of the Lord.

Now praising the Father is a good thing to do.
Worship the Trinity in spirit and truth, but if we worship all of the time
There will be no one to lead the blind. And I...**(Ref.)**

I am not saying that worship is wrong, but worship is more than just singing some songs.
It's all that we say and it's all that we do.
It's letting God's spirit live through you. And I...**(Ref.)**

My All in All

You are my strength, O God
You are my help, O God
You are the One on whom I call;

You are my shield, O God
My life I yield, O God
For you will ever be my all in all.

My Sweet Lord

REFRAIN: My sweet Lord...mm my Lord...mm my Lord

I really want to see you, really want to be with you
I really want to see you but it takes so long my Lord (Ref.)

I really want to know you, really want to go with you
Really want to show you that it won't take long, my Lord (Ref.)

I really want to see you, really want to see you, really want to see you
Really want to see you, Lord, but it takes so long my Lord,
My sweet Lord

Narito Ako

REF: Panginoon, narito ako
Naghihintay sa utos Mo
Lahat ng yaman ko, ay alay ko sa 'Yo.
Ikaw ang tanging buhay ko.

Batid ko nga, at natanto,
Sa Kasulatan, 'Yong turo.
Pakikinggan, at itatago, sa sulok ng puso. **(REF)**

'Yong pagligtas, ihahayag,
Hanggang sad u-lo ng dagat.
Pagtulong Mo't, pusong dalisay, aking ikakalat. **(REF)**

Of All the Things

Of all the things I've ever done
Finding You has proved to be the most important one
I would never trade the tears, the conversations no one hears
The learning how to walk before we run

Of all the kites I ever flew
Most came tumbling down except the one I sent up with You
I don't want to change a thing, break the spell or cut the string
When every wish I made is coming true- with You

Sometimes I forget, to say how much I love You
Purposely I bet, cause I'm so busy thinking of You.

So in this world of odds and ends,
I'd rather have a part of You than all of my so-called friends
You have taught me how to feel, what is false and what is real
Of all the things I'd ever want to do
I think I'd start and end by loving You.

On Eagle's Wings

You who dwell in the shelter of the Lord, Who abide in His shadow for life,
Say to the Lord: "My refuge, My Rock in whom I trust!"

(refrain)

*And he will raise you up on eagle's wings,
Bear you on the breath of dawn,
Make you shine like the sun,
And hold you in the palm of His hands*

The snare of the fowler will never capture you, And famine will bring you no fear:
Under His wings your refuge, His faithfulness your shield.

(refrain)

You need not fear the terror of the night, Nor the arrow that flies by day;
Though thousands fall about you, Near you it shall not come

(refrain)

For to his angels, He's given a command, To guard you in all of your ways'
Upon their hands they will bear you up, Lest you dash your foot against a stone.

One Love

REFRAIN:

One Love, one heart.

Let's get together and feel all right. (2x)

Let them all pass all their dirty remarks. (*One love.*)

There is one question'd really love to ask. (*One heart.*)

Is there a place for the hopeless sinner

Who has hurt all man-kind just to save his own? (REFRAIN)

Let's get together fight this Holy Armageddon (*One love.*)

So when the Man comes there will be no, no doom. (*One song.*)

Have pity on those whose chances grow thinner.

There ain't no hiding place from the Father of Creation. Sayin', (REFRAIN)

CODA: Give thanks and praise to the Lord and feel alright

One Bread One Body

Ref: One bread, one body, one Lord of all.

One cup of blessing, which we bless.

And we though many, throughout the Earth.

We are one body in this one Lord.

Gentile or Jew, servant or free, woman of man, no more...**(Ref)**

Many the gifts, many the works, one in the Lord of all...**(Ref)**

Grain for the fields, scattered and grown, gathered by one for all...**(Ref)**

One More Gift

Ref: If there's one more gift I'd ask of you Lord,
It would be peace here on earth.
As gentle as your children's laughter all around, all around

You're people have grown weary of living in confusion.
When will they realize that neither heaven is at peace
When we live not in peace. **(Ref)**

Grant me serenity within.
For the confusions around me are mere reflections
Of what's within, what's within me. **(Ref)**

One Tin Soldier

Listen to children to a story that was written long ago.
About a kingdom on a mountain and the valley folk below.
On the kingdom was a treasure buried deep beneath the stone
And the valley people swore they'd have it for their very own

Ref: Go ahead and hate your neighbour, go ahead and cheat your friend.
Do it in the name of heaven you can justify it in the end.
There won't be any trumpets blowing come judgement day.
On the bloody morning after, one tin soldier rides away...

So the people of the valley sent a message up the hill.
Asking for the buried treasure, tons of gold for which they'd kill.
Came an answer from the kingdom, "With our brothers we will share
All the secrets of our mountain, all the riches buried there." **(Ref.)**

Now the valley cried with anger "mount you horse draw your swords!"
And they killed the mountain people, so they won their just reward.
Now they stood beside the treasure on the mountain dark and red.
Turned the stone and looked beneath it, "Peace on Earth" was all it said. **(Ref.)**

One Voice (a capella)

Just One Voice,
Singing in the darkness,
All it takes is One Voice,
Singing so they hear what's on your mind,
And when you look around you'll find
There's more than...

One Voice,
Singing in the darkness,
Joining with that One Voice,
Each and every note another octave,
Hands are joined and fears unlocked,

If only One Voice would start it on its own,
We need just One Voice facing the unknown,
And then that One Voice would never be alone
It takes just One....Voice.

Ba ba ba da da da da,
Ba ba ba ba ba da da da,
Ba ba ba ba ba,
It takes that One Voice.

Just One Voice
Singing in the darkness,
All it takes is One Voice,
Shout it out and let it ring.

Just One Voice,
It takes just One Voice,
And e-very-one will sing!

Open the Eyes of My Heart

Open the eyes of my heart, Lord
Open the eyes of my heart;
I want to see You, I want to see You.

Open the eyes of my heart, Lord
Open the eyes of my heart;
I want to see You, I want to see You.

To see You high and lifted up,
Shining in the light of Your glory.
Pour out Your pow'r and love;
As we sing holy, holy, holy...

Bridge:
Holy, holy, holy
Holy, holy, holy
Holy, holy, holy
I want to see You.
I want to hear You.
I want to know You.
I want to see You.

Pagbabasbas

Panginoong lumikha ng kalangitan at lupa
Ang sansinukuban, ay 'di sukat
sa 'yong kadakilaan;
Ano pa kaya itong abang tahanan.

Ngunit ikaw ang Ama na sa ami'y nagkalinga
Sa harap ng 'yong dambana,
kaya sa samo ng madla
Magdalang habag ka.

Pumanaog ka, Poon, sa tahananang
laan sa 'yong kal'walhatian,
Puspusin mo ng biyaya
ang dumudulog sa 'yong dambana.
(ulitin 3 & 1)

Paghahandog

Ang himig ko, ang awit ko, Lahat ng ito'y nagmula sa Iyo
Muling ihahandog sa 'Yo, Buong puso kong inaalay sa 'Yo

REFRAIN:

O Diyos, O Panginoon, Lahat ng biyayang aking inampon
Aking buhay at kakayahan ito'y para lamang sa 'Yong kalwalhatian

Ang tanging ninanais ko ay matamo lamang ang pag-ibig Mo
Lahat ay iiwanan ko, Wala nang kailangang sapat na ito (REFRAIN)

CODA:

Ito'y para lamang sa 'Yong kalwalhatian (2x)

Paghahandog ng Sarili

Kunin mo, O Diyos, at tanggapin Mo
Ang aking kalayaan, ang aking kalooban, isip at gunita ko
Lahat ng hawak ko, ng loob ko, ay aking alay sa 'Yo.

Nagmula sa 'Yo ang lahat ng ito.
Muli kong handog sa 'Yo,
Patnubayan Mo't paghariang lahat
Ayon sa kalooban Mo; mag-utos Ka, Panginoon ko.
Dagling tatalima ako,
Ipagkaloob Mo lang ang pag-ibig Mo,
At lahat ay tatalikdan ko, tatalikdan ko.

Panalangin ng Pagigiging Bukas-Palad

Panginoon, turuan Mo ako maging bukas-palad
Turuan mo akong maglingkod sa Iyo
Na magbigay ng ayon sa nararapat
Na walang hinihintay mula sa 'Yo
Na makibakang di inaalintana, mga hirap na dinaranas
Sa twina'y magsumikap na hindi humahanap
Ng kapalit na kaginhawahan
Na di naghinihintay kundi ang aking mabatid
Na ang loob mo'y siyang sinusundan
Panginoon, turuan Mo ako maging bukas-palad
Turuan mo akong maglingkod sa Iyo
Na magbigay ng ayon sa nararapat
Na walang hinihintay mula sa 'Yo

Pass it On

It only takes a spark to get a fire going
And soon all those around, can warm up in its glowing
That's how it is with God's love, once you've experienced it
You spread His love to everyone, you want to pass it on

What a wondrous time in spring, when all the trees are budding
The birds begin to sing, the flowers start their blooming
That's how it is with God's love, once you've experienced it
It's fresh like spring you want to sing. You want to pass it on

I wish for you my friend, the happiness that I've found.
You can depend on Him, it matters not where you're bound.
I'll shout it from the mountaintop, "Hey World!"
I want my world to know, the Lord of love has come to me.
I want to pass it on.

Pastorale

I am your reed sweet shepherd glad to be.
Now if you will, breathe out your joy in me.

And make bright song or fill me with the soft moan of your love
When your delight has failed to call or move your flock from wrong.

Make children's song or any song to fill your reed
With breath of life but at your will.

Lay down your flute and take repose while music infinite
Is silence in your heart and laid on it your reed is mute.

Oooh....

I am your reed sweet shepherd glad to be
Lay down the flute and take repose while music infinite
Is silence in your heart and laid on it your reed is mute.

Prayer For Generosity

Dearest Lord,
Teach me to be generous
Teach me to serve you, as I should,
To give and not to count the cost,
To fight and not to heed the wounds,
To toil and not to seek for rest,
To labor and ask not for reward.
Save that of knowing that I do your most Holy will.

Redeeming Love

(first verse sung solo, plucking)

I come boldly, trusting only, Your redeeming love
Flowing freely, from your side now, Your atoning blood.
Like a river, like a fountain, Like a cleansing flood.
I pour out my worship to you
For your redeeming love.

(repeat strumming w/ everyone)

My glory in your cross of shame and suffering
My glory what the world disdains as nothing
I will glory in such foolishness
I will glory for its nothing else
Than your wisdom and your awesome power my God
(Repeat Refrain)

My glory in your deep humiliation
You found me and you crowned me with salvation
I will glory all my sin and guilt
Has been covered by the blood you spilt
And now I'm living in your resurrection and light.

Refiner's Fire

Purify my heart
Let me be as gold and precious silver
Purify my heart,
Let me be as gold, pure gold

Refiner's fire
My heart's one desire
Is to be holy
Set apart for You Lord.
I choose to be holy
Set apart for you my master,
Ready to do your will.

Purify my heart,
Cleanse me from within and make me holy.
Purify my heart,
Cleanse me from my sin, deep within

Search my Heart

Search my heart, look deep within my soul
See if there'll be, anything at all
That might keep me from hearing you
Keep me from knowing you
Keep me from loving you, Dear Lord

Wake the morning light, Make our living bright,
Shine on our darkness, O Lord.

Hold us with mercy, O Lord
Sorrow has spoken, has broken our hearts.
Clothe us in your care, be the life we bear.
Feed us and fill us, O Lord.

Teach us your wisdom, O Lord
Shadows have clouded, have crowded our sight.
Give us hearts that see, Set our loving free.
Hear us and help u, O Lord

Send us good summer, O Lord
Winters have chilled us and stilled us too long,
Give us love's own fire. Be our true desire.
Send us your spirit, O Lord

Nauunawaan kita, Halika, halika.

Isang gabing madilim sa dagat,
Hinampas ang bangka ng habagat.
Nang buhay ko't pag-asa'y humihina,
Sinagip ako ng Kuya at winika: **(Ref.)**

Isang araw tinakwil ko ang Kuya.
Ako'y tumakbo, iniwan ko siya.
Ngunit saan man ako magpunta,
Naroon siya't naghihintay t'wina. **(Ref.)**

She is a Star

She is a star of the evening, she is the light of the day
Give me a reason to know her, give me a reason to say

Just as cool as a sky, without clouds in the morning
Like a stream rushing forth, cool and clear
Like a sweet gentle breeze, as it kisses your face
She is pure, she is kind, blooming grace

She is as pure as a lily, she is as white as a dove
Here I found life with its meaning
Thanks to our Mary above

From the shadows into Your radiance.

Search me, try me, consume all my darkness.
Shine on me,

As we gaze on Your kindly brightness
So our faces display Your likeness.
Ever changing from glory to glory
Mirrored here may our lives tell Your story.
Shine on me, Shine on me.

Sa ganda ng umaga
Nangungulila sa 'Yo sinta. **(refrain)**

Tell the World of His Love

For God so loved the world
He gave us Him only Son
Jesus Christ our Savior
His most precious one.
He has sent us His message of love
and sends those who hear
To bring the message to everyone
in a voice loud and clear.

Let us tell the world of His love,
The greatest love the world has known
Search the world for those who have walked
astray and lead them home.
Fill the world's darkest corners
with His light from up above
Walk every step, every mile, every road
and tell the world
Tell the world of His love.

The Bishop's Song

(From the musical "The Guest of Honor")

In a land lost in time and mystery
Where nights are cold and days are warm.
It was a land found in the east
That a peasant King was born.

This king was born without a crown,
And he would live His life without a throne
But out of all the would-be kings,
Glory would be his alone.

And in the heavens the angels sang,
Songs of praise and utter joy
For in a town called Bethlehem,
There had been born a baby boy.

We gaze at wonder at our world,
As birds fly free and beasts run wild,
But none of these can compare
To the gift that is one child.

To heal a wound that runs so deep,
There must be some sacrifice.
To forgive the sins of all mankind,
One life would pay the price.

And so Christ came down from heaven,
The Father's gift equal to none,
For the Father so loved the world
He sent his only Son

These gifts of value aren't made from gold
Not made from copper or from tin.
They come from deep inside our hearts,
They are made from within

And so Christ came down from heaven,
The Father's gift equal to none,
For the Father so loved the world
He sent his only Son
He sent for us....His only son.

The Body Song

I – I am the eye I go “blink blink”
Yes I am the eye and I can wink
I am the eye but I can’t think
That belongs to my friend the brain

Fritter fratter frit, fritter fratter frit,
I'm the brain with electric current patter pit,
I'm the brain and I fritter learning bit by bit,
Yes I fritter fratter fritter all the time.

I go lub dub lub dub I go
I am the heart I pump like so
I'm bringing life to all the parts
I am consistent I'm the heart

Swinging, I'm swinging,
Swinging on life's merry way.
I'm the arm, I'm the arm,
Bringing grace to all.

Hearing, hearing,
Small ears, hearing,
We don't, miss much,
Hearing all the time.

We are the body of Christ,
We are the body of Christ,
Together bringing His love to the world.

We work together, we work together
We do it with cooperation (2x)

Amen

The Promise

Say goodbye, when I can hardly say goodnight.
And I can hardly take my eyes from yours, How far could I go?

Walk away? The thought would never cross my mind.
I couldn't turn my back from spring or fall, your smile least of all.

Refrain: When I say always, I mean forever.
I trust tomorrow, as much as today.
I'm not afraid to say "I love you."
And I promise you, I'll never say goodbye.

We're Dancers on a crowded floor
When other dancers live from song to song, our music goes on.

On and on. And if I ever leave your arms
I really would have travelled everywhere,
for my world is there. **(refrain)**

Fin: How could I ever say goodbye?

The Sound Of Silence

Hello darkness, my old friend. I've come to talk with you again.
Because a vision softly creeping left its seeds while I was sleeping
and the vision that was planted in my brain still remains within the sound of silence.

In restless dreams I walked alone, narrow streets of cobblestone
'neath the halo of a street lamp, I turned my collar to the cold and damp
when my eyes were stabbed by the flash of a neon light
that split the night and touched the sound of silence.

And in the naked light I saw ten thousand people, maybe more.
People talking without speaking, people hearing without listening.
People writing songs that voices never shared, no one dared disturb the sound of silence.

"Fools," said I, "you do not know, silence like a cancer grows.
Hear my words that I might teach you, take my arms that I might reach you."
But my words like silent raindrops fell and echoed in the wells of silence.

And the people bowed and prayed to the neon god they made
And the sign flashed out its warning in the words that it was forming.
And the sign said "The words of the prophets are written on the subway walls
And tenement halls and whispered in the sound of silence."

Theme from "The Cardinal"

Should my heart not be humble, should my eyes fail to see,
Should my feet sometimes stumble on the way, stay with me.
Like a lamb that in springtime, wanders far from the fold,
Come the darkness and the frost, I get lost, I grow cold.

Refrain: I grow cold, I grow weary, and I know I have sinned;
And I go seeking shelter as I cry in the wind.

Though I grope, and I blunder and I'm weak, and I'm wrong;
Though the road buckles under where I walk, walk alone,
Till I find to my wonder every path leads to Thee,
All that I can do is pray, "stay with me, stay with me"

Theme from "Toys for Toys"

Brand new day, I am new
I am someone just like you
I am here to be with you
Take my dreams, make them come true

Where are you now when I need you?
Where have you gone?
Have you found somebody new?
Somebody new

A: Look at me all alone
Broken scarred without a home
No one who loves, no one who cares
No one to make me as his own
I don't know why I was made
I can't go on I'm still afraid
Still afraid

B: Don't look back, I'm right here
Take my hand, let go your fear
It's alright you're not alone, look around
Your in my home

Feel the love and feel the care
Feel the warmth it's yours to share

A love that flows, a love not broken
You've got to follow the light

Please show me the way...

(sing A & B together)

I'm not alone, cause I have you with me
I'm gonna follow the light
I'll show the way

Don't look back, I'm right here
Take my hand, let go your fear
It's alright you're not alone, look around
Your in my home

Feel the love and feel the care
Feel the warmth you're already there

They'll Know We Are Christians

We are one in the Spirit, we are one in the Lord
And we pray that all unity may one day be restored

Chorus: And they'll know we are Christians by our love
Yes they'll know we are Christians by our love

We will walk with each other, we will walk hand in hand
And together we'll spread the news that God is in our land

We will work with each other, we will work side by side
And we'll guard each man's dignity and save each man's pride

Thinkin'

Thinkin' about thinkin' (thinkin', thinkin', thinkin') 2x
Thinkin' about thinkin' in a song
Tell it to the people as you pass along.
Singing glory, glory, glory alleluia
Prais the Lord is a song

(repeat more times replacing "Thinkin' about thinkin' with "Thinkin about Freedom" "Thinkin about Love", etc)

This Little Light of Mine

This little light of mine, I'm gonna let it shine
This little light of mine, I'm gonna let it shine
This little light of mine, I'm gonna let it shine
Let it shine, let it shine, let it shine.

All around the world, I'm gonna let it shine (3x)
Let it shine, let it shine, let it shine.

Used To Be

Superman was killed in Dallas
There's no love left in the palace
Someone took the Beatles' lead guitar

Have another Chivas Regal
You're twelve years old and sex is legal
Your parents don't know where or who you are

REFRAIN:

Used to be the hero of the ball game
Took the time to shake the loser's hand
Used to be that failure only meant you didn't try
In a world where people gave a damn

Great big wars in little places
Look at all those frightened faces
But don't come here, we just don't have the room

Love thy neighbor's wife and daughter
Cleanse your life with holy water
You don't need to bathe, we've got perfume

REFRAIN 2:

Used to be a knight in shining armor
Didn't have to own a shiny car
Dignity and courage were the measure of a man
Not the drugs he needs to hide the scar, woh-oh-oh-oh

BRIDGE:

Can you picture me?
Does your preacher pray?
Does your president have soul?
Have you heard a real good ethnic joke today?

Mama took to speed and daddy ran away
But you mustn't lose control
Let's cut the class, I got some grass
The kids are wild, we just can't tame them
Do we have the right to blame them?

Fed them all our indecisions
We've rigged their minds with television
But what the hell, they're too young to feel pain

REFRAIN 3:

But I believe that love can save tomorrow
Believe the truth can make us free
Someone tried to say it, then we nailed Him to a cross
I guess it's still the way it used to be

Wawa Song

Ref: I'm going to walk wawa, sing lala. Shout
I'll clap my hands (clap 2x)
Until Jesus Christ comes again. Oh Yeah!

I didn't want to come but my mom forced me to
What am I doing here being a fool in front of you? **(Ref)**

Came Friday night, I swear I wasn't prepared
Who are you to ask about the color of my underwear? **(Ref)**

Who are these people singing the wawa song?
I don't know what happened to me, cause I feel like singing along! **(Ref)**

We Have Been Told

REF: We have been told, we've seen His face
And heard His voice alive in our hearts
Live in my love with all your heart
As the Father has loved Me
So I have loved you

I am the vine, you are the branches
And all who believe in Me will bear great fruit. **(Ref)**

You are my friends if you keep my commandments
No longer slaves, I call you friends **(Ref)**

No greater love is there than this
To lay down one's life for a friend. **(Ref)**

We've Only Just Begun

We've only just begun ... to live.
White lace and promises,
A kiss for luck and we're on our way.
Before the rising sun ... we fly.
So many roads to choose,
We start out walking and learn to run.
And yes, we've just begun.

Refrain: Sharing horizons that are new to us,
Watching the signs along the way,
Talking it over just the two of us,
Working together day to day,
And when the evening comes, we smile,
So much of life ahead.
We'll find a place where there's room to grow.
And yes, we've just begun ... to live.
We've only begun.

Welcome to the Family

Welcome to the family
We're glad that you have come to share your life with us
As we grow in love and may we always be to you
What God would have us be, a family always there to be strong and to lean on

May learn to love each other more with each new day
May words of love be on our lips in everything we say
May the spirit melt our hearts and teach us how to pray
That we might be a true family

Whose Side

Tell me whose side are you leaning on?
I'm leaning on the Lord's side.
Tell me whose side are leaning on?
I'm leaning on the Lord's side.
I lean (4x)
I'm leaning on the Lord's side.

Tell me whose side are singing on...dancing...shouting... choo-choo training...

Won't Last a Day

Day after day, I must face a world of strangers
Where I don't belong, I'm not that strong
It's nice to know that there's someone I can turn to
Who will always care, you're always there

Ref: When there's no getting over that rainbow,
When my smallest of dreams won't come true
I can take all the madness the world has to give
But I won't last a day without you

So many times when the city seems to be without
A friendly face, a lonely place
It's nice to know that you'll be there if I need you
And you'll always smile, it's all worthwhile **(Ref)**

Bridge: Touch me and I end up singing
Troubles seem to up and disappear
You touch me with the love you're bringing
I can't really lose when you're near, when you're near...
My Lord

If all my friends have forgotten half their promises
They're not unkind just hard to find
One look at you I know that I can learn to live
Without the rest, I've found the best **(Ref)**

Yellow Submarine

In the town where I was born, lived a man who sailed to sea
And he told us of his life, in the land of submarines
So we sailed unto the sun, till we found the sea of green
And we lived beneath the waves in our yellow submarine

CHORUS:

We all live in a yellow submarine,
A Yellow submarine, yellow submarine
We all live in a yellow submarine,
A Yellow submarine, yellow submarine

And our friends are all aboard, many more of them live next door
And the band begins to play...**(CHORUS 2x)**

As we live a life of ease, every one of us has all we need
Sky of blue and sea of green, in our yellow submarine **(CHORUS 2x)**

You and I / Sometimes

You and I will travel far together.
We'll pursue our little star together.
We'll be happy as we are, together.
We may never get to heaven,
But it's heaven at least to try.

You and I are going on together,
Till the time we have is gone, forever,
Watch the evening drawing on, together.
Growing closer, growing older,
Making mem'ries that light the sky
That only time can make,
That only love can make,
That only we can make, You and I.
(repeat stanza)

Sometimes, not often enough,
We reflect upon the good things.
And those thoughts always center around those we love.
And I think of all the people,
Who mean so much to me.
And for so many years have made me, so very happy.
And I count the times I have forgotten to say, "Thank You."
And just how much I love them.

You Are Mine

I will come to you in the silence,
I will lift you from all your fear.
You will hear my voice
I claim you as my choice,
Be still and know I'm here.

I am hope for all who are hopeless,
I am eyes for all who long to see.
In the shadows of the night,
I will be your light, come and rest in me.

(refrain)

Do not be afraid I am with you.
I have called you each by name.
Come and follow me, I will bring you home;
I love you and you are mine.

I am strength for all the despairing,
Healing for the ones who dwell in shame.
All the blind will see, the lame will all run free,
And all will know my name. **(refrain)**

I am the word that leads all to freedom,
I am the peace the world cannot give.
I will call your name, embracing all your pain,
Stand up, now walk, and live! **(refrain)**

You Are My Hiding Place

You are my hiding place
You always fill my heart
With songs of deliverance
Whenever I am afraid I will trust in you

I will trust in you
Let the weak say I am strong
In the strength of the Lord
I will trust in you

You Make Me Lie Down in Green Pastures

You make me lie down in green pastures
You make me wanting for nothing

You fill my hunger with honey
From Your sweet, sweet Word.

You let me worship before You
So I will love and adore You
You are my Shepherd
You are my Jesus,
You are my Lord.

End: You are my Shepherd,
You are my Jesus,
You are my Lord.

You Are Near

REFRAIN

Yahweh, I know You are near. Standing always at my side.
You guard me from the foe, And You lead me in ways ever-lasting.

Lord, You have searched my heart,
And You know when I sit and when I stand;
Your hand is upon me protecting me from death;
Keeping me from harm. **(REFRAIN)**

Where can I run from Your love?
If I climb to the heavens You are there;
If I fly to the sunrise or sail beyond the sea;
Still I'd find you there. **(REFRAIN)**

You know my heart and its ways,
You who formed me before I was born;
In the secret of darkness before I saw the sun,
In my mother's womb. **(REFRAIN)**

Marvelous to me are Your works,
How profound are Your thoughts my Lord!
Even if I could count them they number as the stars,
You would still be there. **(REFRAIN)**

You've Got a Friend

When you're down and troubled and you need a helping hand
And nothing, no nothing is going right
Just close your eyes and think of me and soon I will be there
To brighten up, even your darkest night.

Ref: You just call out my name and you know where ever I am
I'll come running to see you again
Winter, spring, summer or fall, all you got to do is call
And I'll be there, yeah, yeah, yeah, you've got a friend

If the sky above you should turn dark and full of clouds
And that old north wind should begin to blow
Keep your head together and call my name out loud
And soon, I'll be knocking upon your door. **(Ref)**

Bridge: Hey, ain't it good to know that you've got a friend?
People can be so cold
They'll hurt you and desert you
Well they'll take your soul if you let them
Oh yeah but don't you let them.
